Welcome to the World of Classical Organs

Welcome!

Since 1977, Bernie, his family and staff have represented some of the world's most famous musical instrument manufacturers, curating individually selected model ranges for our clients.

The role of organ in worship is indisputable. Whether it is the support of congregational singing, choir, or performance work, the organ is an integral part of any church music fabric.

As passionate church musicians, we understand the very unique requirements for the best musical result and a high level of musicality in any location.

Bernies Music Land is one of the only organ businesses in Australia which maintains a full range showroom, where you will find knowledgeable and experienced organ consultants to guide your selection, or the design of your dream organ.

The process of selecting or designing a classic organ should be rewarding and personalised. As well as our organ sales department, Bernies Music Land offers in-church consultancy, organist development workshops, and actively engages with the wider music community through scholarships, sponsorship and much more.

We look forward to welcoming you at Bernies Music Land.

Bernie Capicchiano,
Managing Director.

JOHANNUS ORGANS

Johannus: The Organ Of Choice

The choice of organists in over 100 countries, Johannus has been producing organs in The Netherland since 1969. This family owned company has now risen to become the largest classical organ group in the world.

At the Melbourne showroom, Bernies Music Land offers an extensive display for you to play Johannus models from the compact Studio to the thrilling LIVE and Ecclesia Church organs.

Our inventory of popular models ensures prompt delivery and installation of your organ, anywhere in Australia.

*Since 1977, Bernies
Music Land has
offered you a
seamless process
from wish list and
design, to
installation and
celebration.*

HOME & CHAPEL

Johannus One

For the organist or choir on the move the ONE portable classical keyboard offers Johannus sampling quality in a portable and compact model. Features include:

- 76 note portable organ with in-built speakers
- 7 individual organ temperaments, 34 orchestral sounds
- Illuminated rocker tabs.

Studio

The Studio series is an accessible range of organs, primarily designed to bring a high-quality organ sound experience for home practice. Available in 2 and 3 manual compact consoles as well as the stunning

Studio Positive range with lighted drawstops and enhanced audio.

Each studio model includes 4 organ suites and 30 note RACO pedalboard.

Studio Organ Models

Studio 170 / Positive P150:

JOHANNUS

LIVE

LiVE: Enter the Virtual World

From Dresden to Paris, Amsterdam to Manchester, take a journey with Johannus LiVE. The LiVE allows you to load individual complete historic organs from all over the world and change at the press of a button, without out the need for peripheral devices. From the mighty Vater-Muller organ in the Oude Kerk in Amsterdam, to the sparkling delicacy of the Batz organ in the Dom Kerk in Utrecht and the exquisite beauty of the Hill and Willis organs in England, the LiVE is the ultimate in creativity. Choose from 2 and 3 manual tab and drawstop models and experience this new dimension for yourself.

The Live III AGO organ, on display at Bernies Music Land, features 3 manuals, 50 dynamic stops with e-paper labels, 32 note AGO pedalboard, illuminated wooden drawstops and near field audio/variable listening position for thrilling performance.

MONARKE CUSTOM

The Johannus Monarke Custom is Johannus at its very best. Our talented and creative design team can bring your dream organ to reality, from drawing board to fingertips. Stop sample selection and audio systems are carefully integrated to suit your desires and building acoustic. Monarke represents the pinnacle of Johannus research and development combined with exquisitely individually designed consoles.

An Australian Family Business

When Bernies Music Land first opened its doors in 1977, we sold just organs. In 1992 the first Johannus organ was sold through Bernies and in 1996 we were selected as the sole Australian representatives and remain so to this day. As a highly regarded family business, Bernies Music Land is proud to partner with this reputable brand.

At Your Service

Our specialist in-house team are experienced organists and church musicians, on hand to assist clients all over Australia. Be guided by our creative expertise to select or design an organ to suit your individual requirements, from consultation to installation.

Lifetime Support

Backed by a written guarantee that the factory will provide electronic parts for every Johannus organ ever produced.

After Sales Support

Bernies Music Land offers outstanding support even after the expiration of your warranty, with factory trained staff, in-house technicians as well as an Australia-wide network of technicians.

Quality Pre-Loved

The ever changing selection of pre-loved organs are service checked and carefully prepared for lasting enjoyment.

Suzuki Organ School

Developing emerging talent is a key mission of Bernies Music Land. Proud foundation sponsor and partner of the Suzuki Organ School throughout Australia.

Education & Workshops

Post-installation workshops are a key part of our service to all organ clients.

Scholarships & Sponsorships

Bernies Music Land provides scholarship and sponsorship to institutes, schools and Eisteddfodau to encourage the training of young organists.

ORGANMASTER Shoes Australian Stockist.
