- 20 + 131 Sounds, Layer/Split, 2 Track Recorder, Bluetooth, MIDI, USB, Backing Tracks, Metronome and more.

Italian Style

Situated on the picturesque shores of the Adriatic sea in the musical village of Castelfidaro, Italy, the Orla family design instruments which combine beautiful aesthetic design with beautiful sound.

Instrument manufacturers since 1957, the Orla company is now in the hands of the second generation of Orlandoni family and recognised worldwide for their commitment to producing high-quality value instruments.

Australian Selection

For over 10 years the Orla brand has been owned and loved by Australian institutes, restaurants, classrooms, studios and homes. Imported by one of Australia's largest piano and organ distributors, Musico, the Orla range was individually selected to fill a gap in the market for simple, premium quality digital pianos. Dealer-backed with full Australian warranty, Orla is built with your long term enjoyment in mind.
